ABOUT TRIBUZ

Founded in 2009, Tribuz excels in interior design and solid wood furniture manufacturing, offering elegant leather sofas, Chesterfields, and more. In 2021, we expanded into leather hardgoods, blending traditional craftsmanship with innovative designs. Dedicated to quality, passion, and precision, we create timeless, sophisticated pieces that elevate any space.

We have a showroom at Golf Course Extension Road, Gurugram, Haryana, India and I am very excited to invite you and your team to the showroom. It would be great if I can be given a chance to showcase my collections to you.

In-case of any further queries, please feel free to contact us.

A LEGENDARY WORKSHOP

At Tribuz Interiors, our workshop is a sanctuary of artistry and precision. We begin by meticulously selecting only the finest leather, ensuring each hide possesses unparalleled quality, durability, and texture. Every piece undergoes a careful coloring process, where skilled artisans use age-old techniques to enhance the leather's natural beauty, infusing it with depth and character. This process results in a rich, lasting finish that evolves with time. The final stage is one of pure craftsmanship: each stitch, curve, and detail is executed by hand with the utmost care, transforming the leather into bespoke masterpieces that exude both elegance and longevity.
